#### Annexure 1 to the Independent Auditors' Report to the members of Kewal Kiran Clothing Limited

[referred to in para 5 titled 'Auditor's Responsibilities for the Audit of the Standalone Financial Results']

As part of our audit in accordance with SAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, to design and perform audit procedures responsive to those risks, and obtain audit evidence
  that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances. Under Section 14(3)(i) of the Act, we are also responsible for
  expressing our opinion on whether the Company has adequate internal financial controls system in place
  and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Commany to case to continue as a point concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope
  and timing of the audit and significant audit findings, including any significant deficiencies in internal
  control that we identify during our audit. We also provide those charged with governance with a
  statement that we have compiled with relevant ethical requirements regarding independence, and to
  communicate with them all relationships and other matters that may reasonably be thought to bear on
  our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that
were of most significance in the audit of the financial statements of the current period and are therefore

precludes public disclosure about the matter or when, in extremely rare circumstances, we determine
that a matter should not be communicated in our report because the adverse consequences of doing so
